INSERT a new Finding of Fact to read:

"21. As indicated in Finding of Fact 13, Southwest's requested PGA surcharge of \$0.11 per therm is relatively small because it is intended to address the undercollected PGA bank balance only as of the end of December 2005. While this approach may minimize the immediate impact of the increase, we are concerned that a \$0.11 per therm surcharge does not go far enough to reduce the rate at which Southwest's customers will be incurring additional debt arising from unaddressed undercollections, which are projected to increase through 2006. Accordingly, we will adopt a PGA surcharge of \$0.15 per therm."
